

Huntley's

Where Quality Matters

I am extremely proud to be at the helm of Huntley's, having become the latest custodian of our Samlesbury farms in an 800 year love affair with the place!

After successfully overcoming the foot-and-mouth challenge, my vision was to transform Huntley's into a rural retail and family destination where visitors get a great range of high quality, locally produced products with a personal service that is second-to-none.

I am delighted to say that we're achieving that and more.

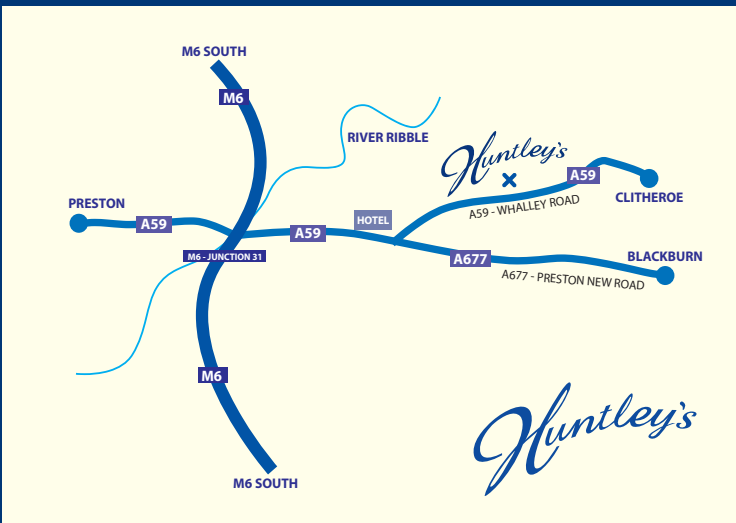

Huntley's prides itself on being a very warm, friendly and good place to visit! You can stock up on local produce from our Food Hall, dine in our restaurant open from early morning to early evening, try some of our homemade Moo2You ice cream from our own dairy farm, shop for furniture, antiques, clothing, flowers, wine, furniture, fresh fish, fresh meat from our licensed game dealer butchers, visit our in house bakery, the list is just endless!

You can be assured of a very warm welcome which ever part of Huntley's you visit!
