Dear Alex

Further to our visit with the Young Apprentice Students to Huntley's on Thursday 22nd April 2010, I am writing to personally thank yourself and your team.

The time, effort and professionalism that yourself and your staff gave to our students was greatly appreciated. The arrangements, hospitality and refreshments throughout were excellent.

Could I ask you to pass on a special thanks to Eddie who was most informative, patient and the perfect host, both his and your time was most appreciated.

All the students thoroughly enjoyed their visit, please pass on our thanks to all your team for their patience which has enabled the students to see first-hand the Farm to Table experience.

Yours sincerely
